

# PRAYER TEAM

## **PRAYER IS THE ESSENTIAL INGREDIENT OF THE MINISTRY OF QWANOES AND YOUR YEAR IN THE KALÉO PROGRAM**

**OUR GOAL:** To have 200 people firmly committed to pray daily for our students, staff and professors – for changed lives, character development, safety, strength, unity, wisdom, protection – there are so many prayer requests.

### **PLEASE FIND SEVEN PERSONAL PRAYER PARTNERS.**

All students are required to find seven people who will commit to pray regularly for you and your fellow students and staff throughout the program (September through April). Please complete the enclosed Prayer Team sheet and send it to Qwanoes as soon as possible (August 15 at the latest). **Note that the best way to send us this information is by email <lyann@qwanoes.ca>.** We will send your prayer team news and additional information about prayer needs through the year. You will also have opportunity to stay in touch with them through a blog that you will set up as part of your Field Education course.

**IN ADDITION**, the local church you are assigned to will be asked to pray for you and the Kaléo program. They will help form our prayer team.

### **IMAGINE THE POWER OF THIS DAILY PRAYER!**

Imagine our encouragement knowing that over 200 people are supporting us in prayer. Imagine what God is going to do this year...

## **PLEASE SEND THE LIST TO US BY AUGUST 15 LATEST!**

The following seven people have made a commitment to pray for myself, my fellow students, and the staff team at Qwanoes regularly throughout the school year (September through April). I have explained to them what I will be doing in the Kaléo program and have given them some personal prayer requests. I have also told them that Qwanoes values their commitment to pray very highly, and that they will be considered as part of our "Extended Qwanoes Support Team." I also commit to contact each of these people at least twice during the year.
